

To the RRCA Family:

For the health and safety of our students and families, the River Raisin Centre will be closed beginning March 15. Like many of you, we will continue to monitor the events surrounding the COVID-19 pandemic. We will reevaluate the situation on a weekly basis.

Our decision was not made lightly. After consulting with local and state health officials and other professionals in the Michigan Presenters Network, we feel this action is in the best interest of our community.

Beginning Monday, we will close the River Raisin Dance Academy, Ballet Company, Box office, and postpone our Aladdin production. More details will be forthcoming in this rapidly changing situation.

The choice to temporarily suspend classes, rehearsals, and performances, for any reason, is never easy. We know how much our young dancers look forward to performing, and we know that our community relies on us to bring exceptional theatrical experiences. We understand this disruption poses a major change to your schedule, but our priority must be the wellness of our students and patrons, as well as adherence to the State of Michigan health and safety guidelines.

We look forward to the time when we can resume operations and get back to being "Your Centre for the Arts." We ask for your patience. Please watch for further communications and updates.

While our studios may be closed, we will keep our dancers moving! Stay tuned ...

Sincerely,

The RRCA Directors and Staff
