Survival Kit Instructions

You have several items in your survival kit...here is what they are and when you need them:

1. This Program: When Brad and Janet are caught in the storm, Janet covers her head with the newspaper. You should do the same with this paper.
2. Glow Sticks: During “Over at the Frankenstein Place”, you should light up the room with these.
3. Rubber Gloves: During and after the creation speech, Frank snaps his rubber gloves three times. Later, Magenta pulls the gloves off his hands. You should snap your gloves each time as well.
4. Noisemakers and Hat: AT the end of the creation speech, the Transylvanians respond with applause and noisemakers. You should do the same.
5. Playing card: During the song “I’m Going Home”, Frank sings “Cards for sorrow, cards for pain”. At this time, you should hold up your card.
